XXIV FIG International Congress 2010

11 - 16 April 2010
Sydney Convention & Exhibition Centre,
Sydney, Australia

The Congress, hosted by the International Federation of Surveyors (FIG) and the Surveying and Spatial Sciences Institute (SSSI), will take place in Sydney, Australia, from 11 - 16 April 2010. It is expected to bring together thousands of surveying and spatial professionals from across the globe and is guaranteed to offer a stimulating professional development program with many networking opportunities for you. This is your chance to keep abreast of the latest developments across the broad aspects of surveying.

Technical Program

The FIG 2010 Congress will feature an interactive and informative program designed to suit all delegates. The program will include internationally renowned keynote speakers along with local and national experts in all fields related to surveying.

Watch the website at www.fig2010.com for updates. You can submit your abstract for the technical program at: www.fig.net/abstractdb/submit.asp?id=12

Location: Sydney, Australia

Sydney, Australia's gateway city and the capital of New South Wales, is built around one of the largest, most beautiful harbours in the world with miles of golden beaches stretching north and south of the city on the shore of the Pacific Ocean. The Congress venue, the Sydney Convention & Exhibition Centre, is a large purpose-built facility that is set in 50 hectares of parks, gardens, museums, shopping malls, amusement areas and conveniently located within close walking distance to the city centre and hotels.

Trade Exhibition and Sponsorship

A large and comprehensive trade exhibition will be held in conjunction with the Congress. The exhibition will cover a wide range of products and services in the field of Surveying. There are also a variety of sponsorship opportunities available within the Congress. Any companies wishing to participate as a sponsor or promote their products/services within the trade exhibition are encouraged to contact the Congress Managers for details fig2010@arinex.com.au
