“I suggest that we fly high and
keep our feet on the ground
at the same time.”

3

An overall theme

”Building the Capacity”

4

The theme "Building the Capacity" relates to flying high and also keeping our feet on the ground. I suggest we give priority to the following key issues:

- Promoting and Enhancing the Role of FIG**
 - Professional Development, - providing the international forum for development and innovation in all aspects of the surveying discipline.
 - Capacity Building, - including a Task Force on Organizational and Institutional Development
 - Global Development, - including increased cooperation with the UN agencies, and our sister organisations.
 - Linking, - strengthening the links between the global agenda and the surveying grass roots
- Continuing and Enhancing the Dialogue with the Member Associations**
 - Promoting the benefits of being a member
 - Increasing the member base
 - Ongoing development and implementation of the information and communication policy
- Promoting FIG as a Truly Global Organisation**
 - Encouraging global representation in council and commission officers
 - Encouraging global distribution of and representation at the FIG conferences, seminars etc.
 - Interaction with regional organisations and activities and respecting cultural diversity
- Responding to the Millennium Goals**
 - Task Force to develop a FIG Policy in cooperation with the UN agencies and especially the World Bank.
 - High level FIG/WB conference in 2008 to promote the FIG global profile in this area
- Revising the Conference Structure**
 - Even years: Major conference such as congress or major Working Week
 - Odd years: Working Week and regional conferences in partnership with the UN organisations
 - Council initiated expert symposia on topical issues e.g. linked to National events
 - FIG Office to ensure administrative, organisational and financial sustainability
- Empowering ACCO and the Commission Activities**
 - ACCO as a dynamic forum for policy making and professional development
 - Enhancing the profile of the technical programme at the conferences
 - Establishing an FIG virtual journal with peer reviewed papers
 - Preparing a starting pack with guidelines for vice-chairs and the chairs elect
 - Establishing task forces to deal with inter-commission activities and policy implementation

 is in a state of transition –
moving from a country based
leadership to a directly elected
leadership.

7

The future of 
is in your hands.

I would be honoured to serve
as your new President.
