

FIG Commission 2 – Professional Education (11/3/24) Annual report 2023

FIG Commission 2 had a very dynamic year rich with diverse activities. This was the year of take over the new term of the new FIG Commission 2 Chair, Vice-Chair and Chairs of working groups 2023-2026. The take over date was 1 January 2023 and the first physical ACCO meeting of the new chairs of Commission took place 5-8 February in Copenhagen. More info: https://www.fig.net/news/news_2023/02_council-acco_cph.asp

Soon after, the FIG Commission 2 and 7 chairs headed to another continent to support the International Workshop on Land Use Planning and Land Administration; Integration and Decentralisation which took place in Training Centre for Land Management in Nepal during the period 13-19 February.

Next big event where more FIG Commission friends and delegates met was Orlando, Florida, USA during the annual FIG WW 2023. Here, FIG C2 had 3 sessions, one joint session of C2 and C7, contributed to the FIG Academic Forum, annual meeting of Commission 2 and the traditional Commission 2 dinner which was organised together with C1.

During the event FIG WW2023, the Global Survey on Geomatic Education was launched and the first results from the Global Survey were received during the summer 2023. Initial results were presented in October in Deventer.

The highlight of FIG Commission 2 for 2023 was the joint FIG Annual Meeting of C2 and C7 organised together with the Netherlands Kadaster and Faculty ITC, University of Twente from the Netherlands. This event took place in Deventer 2-4th of October. It was a great platform to exchange knowledge, present new research and case studies from different countries. In the last day participants could choose between the Visit to Cadastral Museum in the city of Arnhem and one day in new building of Faculty ITC in the city of Enschede. During the day in the new building of Faculty ITC, The Joint FIG Working Group C2 and C7 chaired by Simon Hull presented part of their work regarding the review of the GLTN Teaching Essentials for Responsible Land Administration – TERLA (<https://elearning.gltn.net/>) More info about the whole event:
