Praktiserende Landinspektørers Forening

Differences between countries having publicly appointed surveyors are, when seen in isolation, multi fold and vary between French and German speaking areas but, in summary, they produce geometers who can function well within the perspective legal system.

Country	Education	Professional practice (P)	Exam	Other	Right to being admitted
Germany	BAC + 5U	1 P after State examination	State examination	2 R	yes
Austria	BAC + 5U	3 P	External examination		yes
France	BAC + 5U	2 P	Appraisal of work certificates: D.P.L.G. (in case of basic education at a State school)		yes
Denmark	BAC + 5U	3 P	Selection based on work certificates		yes
Switzerland	BAC + 5U	Min 18 months	External examination		yes
Belgium	BAC + 4 (in future: BAC +5)	0 P (2P)	without		'Convention'
Luxembourg	BAC + 5	2 P (min 6 months in cataster administration)	Examination
