

## FOREWORD

This document lists the tasks which FIG will undertake during 2007–2010. It comprises the vision statement and goals of the Federation, the Council Work Plan for 2007–2010, in relation to the administration and forward planning of the Federation; and Work Plans for 2007–2010 for each of the ten technical commissions which pursue FIG's professional and technical objectives. It is, however the Council which has overall responsibility for fulfilling this plan, in its role either as an executor or, in the case of commissioned activities, as a facilitator and co-ordinator.

The Council's Work Plan is governed by FIG's aim and objectives, the Statutes and Internal Rules of the Federation and decisions of the General Assembly of FIG.

The FIG Work Plan 2007–2010 has been adopted by the 30<sup>th</sup> FIG General Assembly in Hong Kong SAR, China in May 2007.

Prof. Stig Enemark  
President of FIG 2007–2010
